KHYC Agrees to Sponsor PRYC

Many, many, many special and profound thanks to Zeke Wheeler, Dick Krebs, Graham Grice, and Don Mueller. Those names were mentioned more than once for their dedication, enthusiasm, and dogged perseverance through many hours of discussion at King Harbor Boaters Advisory Panel, RBBA, and Heart of the City meetings. They were cited as examples of the kind of leadership needed by the SCYA organization and why Port Royal Yacht Club was eminently deserving of a letter of sponsorship from KHYC.

Your Commodore made a compelling presentation and fielded questions from the board with ease. His previous contacts with the people involved were a definite plus.

Bill Webster, Mark Hansen, and Hal Davidson made forceful arguments for us. They deserve our thanks as well.

I would also like to thank (This is beginning to sound like an Academy Award acceptance speech) Bill Torrance, Don Mueller, and Jim And Sue for "prepping" us on Sunday. Don's suggestion of making a specific written argument against the idea that our joining SCYA might adversely affect other clubs economically was of special value.

I am very happy for our success Monday. But as the man said, it ain't over til it's over. There's more to be done.

Although somewhat quieter than usual, our Fourth of July party was replete with friendly company, delicious food and spectacular fireworks from the City of Redondo. The decorations were festive and the cannon loud. The music was the best we have ever had. The group, S'Cool Daze, played long and had a great repertoire. Thank you, Caroline, for finding them and booking them for our party. We hope to use them again next year. To those who put in their time decorating, the club looked great! Thanks to all who spent hours at the bar, upstairs and down, for without you we would have had a sober bunch. The food, provided by Tree Curtis, Penny Vowles and Pat Paxton was delicious as always and we certainly appreciate the barbeque skills of Russ Morgan, Dean Curtis and Bob Carlson. Lunch and dinner would not have been complete without the great corn that Don always seems to find this time of year. PRYC was a great place to be for the Fourth.
